

1910 is the date set in stones on the chimney in the Chimney Corners Lodge dining room. For Northwest Michigan, this is antique. When the Rogers family first spent their vacations on Crystal Lake, they came by boat, "The CAROLYN", from Beulah and had the whole North shore to themselves. Now, even in winter, neighbors are within a half-mile. Much has changed, but the Lodge remains, cherished for its rugged charm and happy memories. Chimney Corners grows, but gracefully - the old at home with the new - and the whole lives serenely on the bluffs and beach beside this beautiful lake.

WHATEVER BECAME OF THE OLD-FASHIONED SUMMER COTTAGE? It's right here, alive and well, refined for today's tastes. ALL have decks, screened porches or patios. You'll spend refreshing hours enjoying the views of Crystal Lake from your own front porch, AND all have FIREPLACES. On nippy days, you'll toast before your own hearthfire, reading a book from our library.

PLENTY TO DO, NOTHING PLANNED - This is your family time; your quiet vacation; a rest from busy city life... NO PHONES OR TV's. Messages will be delivered, should you receive one. For OUTGOING PHONE CALLS - there is a telephone in the Lodge Office. CABLE TV is available for your viewing in the Beach Dining Room.

Cribs and high chairs are available. Please reserve ahead.

**NORTHWESTERN MICHIGAN** is geared to (outdoor) vacation FUN! Chimney Corners is on the North shore of Crystal Lake on scenic Highway M-22, a ten-minute drive from Frankfort, fifteen from Beulah. Great resort shopping, “antiquing” and all necessities are conveniently nearby. We are half an hour from Interlochen, home of world-class concerts and entertainment. There’s big-town shopping with a small town feel in Traverse City and Manistee, both within an hour’s drive.

During the quieter seasons or early morning hours, hike the paths through our woods and fields to catch a glimpse of wild turkey, a whitetail deer, or maybe a coyote! Bring your binoculars if you’re a “birder”. Sleeping Bear Dunes has a scenic drive & hiking trails a short drive north of Chimney Corners.

Numerous golf courses are minutes away. Canoe, kayak or tube trips down the Platte River are just up the road apiece. Bring your bikes, for a 27-mile trip around the lake, or ride the new Betsie Valley Bicycle Trail.

**MEALS AND MORE** at the Resort... All cottage and apartment rentals include a **FOOD CREDIT** during the summer season. The credit may be used at the Beach Dining Room for the daily breakfast and snack bar lunch from mid-June to Labor Day. It may also be used at the weekly beach BBQ or for a delicious dinner in The Lodge Dining Room incorporating classic Rogers’ family recipes.

For your **SPECIAL EVENT** - Catering can be arranged for family reunions, intimate gatherings and wedding celebrations. The Historic Lodge offers stunning bluff-views of Crystal Lake from its charming dining rooms. If you prefer the beach, try the Beach Dining Room for a more casual location and enjoy the great deck. The adjacent lawn area is available for tents...if your party is rather large. Please inquire for more details.

### **SUMMER IS WONDERFUL, BUT REMEMBER THE QUIETER SEASONS...**

Those beautiful weeks, before or after summer! During the spring, wander our woods for more mushrooms and wild leeks or visit Award-winning wineries. During harvest season and fall colors, tour country roads. Stop at roadside stands for fresh fruit and pumpkins.

**WE ARE CASUAL... NO NEED FOR FORMAL CHECK-IN.** Find us in the Lodge Office or look for the “Welcome List” in the Lodge Sitting Room (this will direct you to your unit). Doors are OPEN and keys inside. All units have their names on them. If you’re a late arrival, we’ll leave the lights on! The Rogers’ residence is at the top of the hill, should you need more assistance.
