Come Right In!

Your pleasure has been our family business since 1935, when the first guest book was opened in the log cabin living room of the Lodge.

Enjoy our large private Crystal Lake Beach. Swim in clear, sparkling water. Sail on nine miles of beautiful lake.

Admire a vista of Lake Michigan, the Sleeping Bear Dunes and Manitou Islands from our own scenic overlook. And...we adjoin the Sleeping Bear Dunes National Lakeshore with its miles of forests, dunes and glorious beaches—we are almost *Wilderness...*

If you need a crib or high chair, please reserve ahead. All units have their names on them. If you're a late arrival, we'll leave the lights on! Your unit has a flipstand which contains helpful information about the Resort. The Rogers' residence is at the top of the hill, should you need more assistance.

Dogs are welcome at Chimney Corners, but with some restrictions. You must call our office to have your pet's needs assessed.

Meals and More at the Resort...

Resort guests and local visitors alike love our traditional Wednesday Night BBQ. Taste the best slow-smoked ribs and other picnic fare mid-June through Labor Day.
